ARE YOU LOOKING FOR A WEALTH OF SUMMER EXPERIENCE?

MacEwen Agricentre has become the foremost feed, and crop input supplier in Eastern Ontario by staying one step ahead of the competition with competitive pricing, outstanding customer service, state-of-the-art equipment, and superior industry knowledge. It's the people who work for MacEwen who make the difference.

We are looking to fill the following positions in Maxville and Vars for the Summer 2012 season.

Agricentre Field Assistant

A critical role inspecting farmer's fields, recording weeds, insects and disease. Preparing reports which enable the MacEwen team to support customers in making timely and informed crop management decisions.

Administrative and Operations Assistant

Working with customers to process orders, allocate payments and operate the fertilizer blender using pre-programmed recipes.

Delivery/Yardperson

A hands-on, physical role assisting customers with the loading and unloading of products, delivering products to customer sites and from suppliers.

AZ Driver

This role requires the successful candidate to loading and unload products, ensure safe and timely deliveries to customers and from suppliers. An AZ license is required, as is a safe driving record.

Each of the above positions requires candidates who have a valid driver's license and who are available from April to September, 2012. Bilingual (English/French) is highly desirable.

More details are available at www.macewenag.com. Applications in the form of a resume and cover letter may be submitted to careers@macewenag.com before February 13, 2012. Please indicate which position you are applying for and your availability.
